MINIMALIST LIGHT LUXURY OPTIONAL COLORS

The whole space is not very pretentious, with the highly rational modernism, the color is very light and luxurious, and the beauty of freehand brushwork is revealed in the modern minimalism.

BORDEAUX RED

It is composed, it is atmospheric, seemingly simple but permeates the ultimate elegance.

CHAMPAGNE GOLD

light luxury everywhere, produce different visual tension.

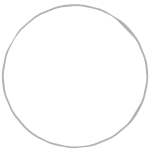

HIGHCLASS GREY

Extremely low-key, but everywhere revealed the benefits of the high-level sense.

PURE WHITE

The perfect combination of light luxury and noble temperament, every detail exudes soft pastels.

GOLDEN

The luxurious golden is full of metallic color, and the details are given gilt brilliance

MATTE BLACK

With clean lines and pure colors, it presents the timeless beauty of the structure itself
